WRONGS GIRL AND RICH YOUNG MAN SHOOT HIMSELF OF SABETHA, KAN., WITH A REVOLVER

A. W. Painter, 2300 Buchanan, Died Late Today at Hospital.

Mother Told Him To Leave His Half-Sister Alone.

LEFT HIS MONEY TO HER HE RECENTLY LEFT THE ARMY

Louise Blakeley, Age 12, Inherits His Property.

Wife Ran Away With Another Man, It Is Reported.

An attempt to stone for his misdeeds by leaving all his possessions to the girl he had wronged and then shooting himself thru the head was made today by Albert Walter Painter, 39 years old, 2300 Buchanan street. This is the third time within the last year that he had attempted to commit suicide. It is said that at 2 o'clock this afternoon at St. Francis hospital.

Mrs. Jack Blakeley, the mother of the dead man, said this morning that she had just received a letter from Painter stating that he was going to end everything. A note which Painter wrote to her, in which he leaves all his possessions to Louise Blakeley, a half-sister, 12 years old, and the daughter of Mrs. Blakeley by a second marriage.

Mrs. Blakeley stated that more than a week ago she discovered that her son had become intimate with the little girl and had wronged her. It was said that the girl went to the police station last Saturday and asked for protection, but that the police sent her home.

Mother Warned Him.
Thursday night, Mrs. Blakeley said, she confronted her son with the assertion that his illegitimate attentions to the little girl must be discontinued at once. He left home, she said. This morning she received the letter.

According to neighbors, the man had been subject to fits of despondency for some time. He is said to have particularly grieved because his wife ran away with another man some time ago. It is said he lived with his mother, Mrs. Blakeley.

Painter formerly lived near Eighth and Lake and this morning he went to the home of Mrs. Rachel Ewing, an old neighbor, living at 1207 East Eighth avenue, and knocking at the back door he asked for a drink of water.

Mrs. Ewing asked him if he would not come in and he declined but asked for a pencil and a piece of paper. These articles were given him and he thanked Mrs. Ewing and walked away. A few minutes later Mrs. Ewing heard a shot.

Lying in Pool of Blood.
Painter had gone to an old vacant place near his former home, had placed the revolver against his head and pulled the trigger.

Herbert Egelston, a 15-year-old boy, was in the place and immediately summoned aid.

When the coroner arrived at the scene Painter was lying in a big pool of blood but was still alive. He was rushed to St. Francis hospital.

Painter placed the revolver to his right temple and fired, tearing a big hole in his right temple.

His Last Will.
Painter's last will and testament, which was discovered in his clothes at the hospital this morning, reads as follows:

"I, Albert Walter Painter, do hereby bequeath all my property, real and personal, to my half sister, Miss Louise B. Blakeley. I have some wages coming from the State Fair and what little I have in the bank shall go to her."

ALBERT WALTER PAINTER.
Painter was a veteran of the Spanish-American war and of the late war with Germany. Chief of Police George Hannan was called to the scene when the shooting was reported and Dr. Earl G. Brown, city health officer, was called to arrive.

Dr. C. H. Henley, acting coroner, was out on another case at the time. The wounded man shot himself with a .35 revolver, apparently purchased for the purpose.

POOR CORN CROP SHOWN BY REPORT OF J. C. MOHRER

Dry Weather Has Cost Farmers of Kansas Millions.

Yield Estimated at Only 56,445,000 Bushels.

OTHER CROPS ALSO WERE HIT

Rains of Last Week Came Too Late To Aid.

No Change in the July Wheat Estimates.

Kansas corn which one month ago looked like 79.7 per cent of a full yield has dropped to 43.8 per cent. Hot, dry weather of July and August has burned millions of dollars out of the pockets of corn growers of the state. J. C. Mohrer, secretary of the state board of agriculture, today estimated the state's corn crop at 56,445,000 bushels—the fifth shortest crop Kansas has known in forty-five years.

Rains which came to many sections of the state this week were the pardon papers which arrived after the prisoner was dead. They are cooling and refreshing but the hot, crop will get little if any benefit from the early fall moisture. The supplants for rains several weeks ago did not produce the showers in time to aid for the building of new corn sheds.

Corn conditions at this time indicate a yield of but twelve million bushels greater than last year. A steady decline in growing conditions has been reported from all sections of the state during the past twelve months. Acreage is 4,190,000.

Other Crops Suffer.
While the corn crop has carried the heavy shock which came to Kansas as a result of the summer drought, other crops dependent upon July and August rains have taken their share of the sorrow. Pastures, too, held up reasonably well during the summer but are now suffering from the lack of rain. The prairie hay crop is about a half million tons greater than a year ago.

Wheat yields are unchanged from the July report—late returns indicate a crop much larger than the estimate of 138,993,200 bushels. In his investigation this month, Secretary Mohrer inquired as to the popularity of the federal wheat loan program, also are investigating prices charged by restaurants in many cities. Chain restaurants are being given special attention.

Means Wholesale Arrests.
Congress is expected to adopt the amendments into the bill within a few days.

Wholesale arrests of retail dealers in every city are certain to follow. It was said at the justice department.

Palmer's list included many wholesale dealers as well as retail. Agents also are investigating prices charged by restaurants in many cities. Chain restaurants are being given special attention.

Will Urge Jail Sentences in All Possible Cases.
Washington, Aug. 29.—List of retail food dealers charging excessive profits now are being collected in every big city. Attorney General Palmer let it be known today.

The lists are to be used as the basis for criminal action against the dealers immediately after congress passes Palmer's proposed amendments to the Lever food control bill.

Will Urge Jail Sentences.
Palmer's amendments provide dealers convicted of profiteering shall be jailed or fined \$5,000, or both. The attorney general is planning to press for jail sentences where convictions are obtained, officials said today.

Fair prices committees organized by dealers in many cities are helping Palmer's agents get evidence against retail profiteers. The committees also are framing fair profit lists.

Laclede, Mo., Will Take 'Jack' Pershing to Old Swimmin' Hole

Laclede, Mo., Aug. 29.—Laclede today is preparing to welcome home her victorious Caesar, his General Pershing will be accorded none of the Roman pomp and ceremony. Simplicity is the keynote of celebrating his return to boyhood friends and playmates.

Contrasting to the dignity of ceremonies in London, Paris, Rome and Washington, General Pershing here will be met by a group of his old swimmin' hole, a visit to the shack where he once taught school and other places of interest about Laclede.

The program is ready. Handshaking, singing, shouting, speechmaking and music will be provided, capping it with a chicken dinner "on the ground."

A touch of "at home" will be added by a military parade and General Pershing is expected to head the column of returned service men up Laclede's single street where years ago he played the feather-decked Indian.

After the celebration the Pershing family will gather for a reunion. James Pershing, a brother, called for the United States. The unveiling of the monument will take place on the anniversary of the birth of Lafayette.

General Pershing is expected to sail for home from Brest September 1. The monument at Pointe de la Grave, which is situated at the mouth of the Gironde river, northwest of Bordeaux, is near the spot from which Lafayette sailed for the United States. The unveiling of the monument will take place on the anniversary of the birth of Lafayette.
